Subject: SSC task for BaP

Hi Teneille, I have a task related to BaP for a student services contractor.

I have a table related to a literature search update that I would like to have filled in. I'll attach the table.

Ex. 5 Deliberative Process (DP)

Ex. 5 Deliberative Process (DP)

I've completed the first entry as an example of what I am looking for. I estimate that this task shouldn't take more than a couple days.

Please have them contact me with any questions. Thanks!
